Letchworth High School Indoor Game Day Winter 2021-22 Expectations

-Face Coverings: All Athletes, Coaches, and Spectators will be expected to properly wear masks, covering nose and mouth, at all times. For swimming, coaches and athletes should be masked while on the deck. Visiting Coaches must police their own teams. If there is a failure to maintain face mask wearing the game may be stopped until the issue is fixed. Masks will NOT be provided for spectators.

-Bus Parking: Buses can enter and drop off in front of the High School Gymnasium and then park along the right side of the front loop where the bus parking signs are.

- If Varsity teams arrive with the JV team, they are asked to sit behind their own bench in the bleachers.

- Locker Rooms: We will have locker rooms for athletes to change as well as meet during halftime and postgame. Face masks should be worn the entire time teams are in the locker room unless 6' social distancing can be maintained. We ask the teams to please pick up after themselves to help our custodial staff.

- Spectators will be allowed to enter the facilities through the Main Entrance. Home and Visiting spectators will sit in their assigned sections. At this time, we do not have limits on the numbers of spectators for either home or away teams. Our plan also includes a limited item concession stand.

- Water: There is a water station in the front lobby to fill up bottles. Water jugs will not be provided, so all players should bring a water bottle.

- Basketballs: We will provide a rack of basketballs for your team to warm-up with unless you prefer to bring your own.

- Sanitizer: will be available by the bench areas for basketball and wrestling as well as in the pool for swimming.

-Live Streaming: All basketball in the High School Gym will be streamed on the Letchworth YouTube Channel. The link is on the rSchool calendar. We do not plan to live stream wrestling or swimming.

If you have any questions please contact Mark Sanderson, Athletic Director
