Dear Letchworth Families,

Letchworth CSD has a goal to engage families in a more strategic and efficient way moving forward. Improving timely communication is essential in our busy, changing world.

***We are excited to announce that we adopted a new form of school-to-home communication for the Letchworth Central School District, called ParentSquare. This safe, unified communications platform is designed to keep parents and guardians informed and encourage greater engagement and connection. The process of testing this new platform will take several weeks to work out the glitches. We have staff who will be piloting this form of communication with groups of parents over the next few weeks.***

***\*This will become the only communication tool LCS will use. Personal texts, REMIND, FB classroom pages, and other tools will not be used as we move forward. You can still speak with staff on the phone and through email. We are moving to a District Facebook page, our School Website and PARENTSQUARE as our ways to communicate with the public.\****

**PARENT SQUARE** provides a safe way for district administrators, school principals, teachers, staff, and parents to:

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- Schedule parent-teacher conferences
- and much more . . . all in one centralized place!

All district and school, grade level and classroom information will now be sent to your computer or phone via email and/or text. For even more convenience, download the ParentSquare app (available for free for iOS and Android devices).

Have questions? Click the question mark in the top right corner of the desktop version or the Help tab on the app (tap the triple bar icon at the top left) to find answers to most of your questions.

**TOGETHER...WE ARE LETCORTH.**  
**TODD CAMPBELL, SUPERINTENDENT**
